Cured His RUPTURE
 I was badly ruptured while lifting a trunk several years ago. Doctors said my only hope of cure was an operation. Trusses did me no good. Finally I got hold of something that quickly and completely cured me. Years have passed and the rupture has never returned, although I am doing hard work as a carpenter. There was no operation, no loss of time, no trouble. I have nothing to sell, but will give full information to anyone who may find complete cure without operation. If you write to me, Eugene M. Pullen, Carpenter, 507D Marquette Avenue, Minneapolis, Minn., I will cut out this notice and show it to anyone who is ruptured—you may save a life or at least stop the most painful rupture and the worry and danger of an operation.

Rheumatism
 A Home Cure Given by One Who Had It
 In the spring of 1910 I was attacked by Muscular and Inflammatory Rheumatism. I suffered as only those who have it know, for over three years. I tried every remedy, and doctor after doctor, but such relief as I received was only temporary. Finally I found a remedy that cured me completely, and it has never returned. I have given it to my children who were terribly afflicted and even bedridden with Rheumatism, and it effected a cure in every case. I want every sufferer from any form of rheumatic trouble to try this marvelous healing power. Don't send a cent! Simply mail your name and address and I will send it free to try. After you have used it and it has proven itself to be a cure, you may want to order a supply. I will send you one perfectly satisfied to send it. Isn't that fair? Why order any longer when positive relief is thus offered you free? Don't delay. Write today.

Catholic church would accept a Protestant as an office-holder—un-American. No convent, monastery, or House of Good Shepherd could endure Protestant officials, so, according to the mayor's logic, they are un-American. The order of Knights of Columbus of which Mayor Curley is a prominent member, confines its membership to the Roman church and thereby prohibits outsiders from holding its offices, and according to the mayor's position must be thoroughly un-American, and as members of an order share in its culpability as well as its benefits, it follows that Mr. Curley shares in its un-Americanism. If Protestant organizations are un-American and need watching or suppression, Catholic institutions need the same supervision, and as Mayor Curley of Boston, Mass., is a conspicuous member of one of these, by his own logic, un-American Roman Catholic bodies, we suggest that he begin the work of watching and suppression with his own people, and commence by suppressing himself, which would be a very good thing for the city and people of Boston.

A foreign-language newspaper, the Westliche Post, has adopted the slogan "For America First." In its entirety, that slogan means: first, to recognize the law of the land; second, to obey that law in letter and spirit; third, to protect that law and the ideals it represents at home and abroad, in time of peace as well as in war.

NEW YORKERS FACE TO FACE WITH JESUITISM
 Pope's Minions in Deceptive Trick Try to Discredit Vigilantes Against Sedition
 New York's Committee for Defense, the purposes of which are to act in the capacity of vigilantes against seditious persons, was called into being as a result of soap-box speeches being made by zealous "Friends of Irish Freedom" and others similarly inclined. The personnel of these organizations has proven dominantly papal Irish according to the best advice THE MENACE is able to secure and now the committee is going through a very trying series of experiences. For instance, a typically Jesuitical trick was launched against the committee a few days ago which consisted of a letter purporting to come from them which was sent to all merchants advertising in German papers. It advocated boycott of such merchants unless said advertising ceased forthwith. The committee had never thought of sending such a letter and it is not difficult to perceive that the papal "friends" determined to put the committee in a bad light by creating the impression that it thought all of the German press seditious. This was pure trickery of the papal brand, the thing that all opponents of Romanism must expect sooner or later. Unable to meet an issue squarely they attack the people who are in the right, from under cover and depend on the psychological effect to do the work that lack of argument renders them powerless to do. No clearer indication of who the seditious are could be found than this Jesuitical attack from under cover.

Just want to compliment you on your Big Paper, THE MENACE, and tell you how much I appreciate it.

—Firing Line worker, Ocean Park, Cal.

Ford Hendrickson has been holding a fifteen-day convention in Harrisburg, Pa. Nothing recalls the days of Luther to the mind of ecclesiastical Rome so much as one of Hendrickson's convention campaigns.

INDIANAPOLIS AWAKE
THE BALLOT IS YOURS
 All Danger of Supporting the Notoriously Corrupt Force Eliminated in Following Ticket
 To those who would make Indianapolis "safe for democracy," we submit the following as our recommendations for a city ticket. We have carefully investigated, and feel that our recommendations are entitled to your careful consideration. Do not be misled by politicians who muddy the waters with the less important or false issues. Any officer who is right on the issue of Americanism can be trusted with other matters:
 For Mayor—Charles W. Jewett.
 For City Clerk—George Hutsell.
 For City Judge—Walter Pritchard.
 For Councilmen—1st dist., Wm. B. Peake; 2nd dist., Russell E. Wilson; 3rd dist., Jesse E. Miller; 4th dist., Dr. S. A. Furness; 5th dist., Lewis W. Carney; 6th dist., Jacob P. Brown.
 For School Commissioners. First term, beginning Jan. 1st, 1918. Three to select: C. W. Hayes, C. E. Crippen, H. A. Sampell. Second term, beginning Jan. 1st, 1920. Two to select: B. S. Gadd, William D. Allison.
 To succeed Eugene Runyan—Herbert Foltz.
 The Guardians of Liberty, Lock Box 10, Indianapolis, Ind.
 NOTE—The above recommendations advising the support of the men named is the result of careful work on the part of Guardians of Liberty Court No. 9, Indianapolis, Ind. It represents a great amount of effort expended in the interest of better government and every recommendation is based on the careful canvass made by men whose interest is to eliminate political trickery and aid the people in getting what they pay for.
 While all other officers are important, the school commissioners is the hub around which the greatest interest centers and it can be said, without the least fear that their records will ever present anything to the contrary, that these men recommended by the Guardians are true friends of, and believers in, the public schools. They will render efficient and whole-hearted service and it can be stated without fear of contradiction that they are all men who believe in the public schools sufficiently to trust the education of their own children to them. Study the above tickets closely and remember that this is no time for temporizing. Remember your city's past political history and cast a ballot for a thorough "clean-up" by voting for every man recommended above.
